

Beyond The Usual Path Workshop Survey Responses	
Data Notes	
Data was manually inputted from physical surveys	
Some data was interpreted then inputted due to language/grammar barriers	
Pre-Workshop Survey Questions	
Question 1 (FRQ)	What is your intended career or major at the moment?
Question 2 (1-10)	How willing are you to consider exploring a different pathway than you mentioned above?
Question 3 (Yes/No)	Do you know someone locally who is successful in a field that is not medicine, engineering, or technology?
Question 4 (Structured FRQ)	Write down 4 professional careers that are not directly in engineering, medicine, or technology. (Professional = Careers that often require training, degrees, etc.
Question 5 (1-10)	How confident do you feel about finding and using resources to explore different careers?
Post-Workshop Survey Questions	
Question 1 (1-10)	After this workshop, how willing are you to consider exploring careers outside of engineering, medicine, or tech?
Question 2 (Structured FRQ)	Write down 4 professional careers you now know that are not directly in engineering, medicine, or technology. (Professional = Careers that often require training, degrees, etc.
Question 3 (1-10)	How confident do you feel now about finding and using resources to explore different careers?
Question 4 (Open-Ended)	Write down any questions or comments have about today's session.
Note: Some data entries have been slightly modified due to a language gap, changing endings of fields to careers if that was in the question
